## EDITORIAL

There have been many big questions to answer this year. Would the Scottish vote for independence? Would Peter Capaldi be a good Doctor in *Doctor Who*? But most pressing of all is who is your *Club* covergirl of the year? The Paul Raymond awards are coming up, packed with adult stars, models and members of staff hoping for a free drink. You can play your part by voting in a number of categories, so head over to pages 12 and 13 for your last chance. Of course, you could be there as well, if you play your cards right. We know Lexi Lowe is looking for a date...

Dear Club,

My wife, Joan, and I love your magazine, and although we buy a few others during the month, it is *Club* that is the most eagerly awaited. One of the main reasons is that you often feature gorgeous young ladies in the great outdoors, which is a personal favourite of ours, and we take every opportunity to fuck each other outside. Okay, the weather isn't that good for this particular pastime in Britain, but a few years back we bought a caravan so now most weekends you'll find us out in the countryside shagging ourselves silly. We're always on the lookout for like-minded souls, interested in a bit of swapping fun, and in August we had an experience that Joan thought I ought to tell you about, as it would turn her on so much to read it in your wonderful mag.

We were spending the night in a caravan park in Sussex, I'd fixed the awning to the side of the van and Joan was doing a fry-up

on the Calor Gas stove as the sun went down. There were very few people on the site, but the berth next to us was taken by a young couple in one of those flash motor-homes. The woman was about 25 with a superb figure, long legs, nice rounded tits and a big arse. In her sexy summer mini-dress and cork-wedge mules she looked very shaggable indeed. Joan isn't bad either, although we're both in our 40s, and has a fantastic pair of knockers, ideal for sticking your dick between when in need of a tit-fuck!

As we tucked into our meal, Sue, our new neighbour, wandered over and flopped down in one of the collapsible chairs, her flimsy dress riding up and exposing a large expanse of tanned thigh. I poured her a drink and we got chatting. Her husband Simon joined us and, as the evening wore on, we got more and more legless until I started to caress Joan's boobs through her shirt and watched for a reaction from our friends. Simon smiled and

began to do the same to Sue, obviously well aware in which direction this was heading.

Without saying anything, I led Joan into the awning and pulled down her shorts, revealing her bare, shaven muff. Pulling her to the grassy floor, I unzipped my trousers, dragged out my stiff cock and manoeuvred it between her thighs until the tip of my meat was posed at the entrance to her cunt. With one thrust of my hips I was inside my wife and pushing up to my balls in that lovely tight little pussy.

"Mind if we join in?" Simon said from the canvas doorway. Joan answered him by reaching up and yanking open his fly, before easing his semi-stiff prick from his pants. Sue knelt beside us and lifted her dress, so I slipped my hand between her warm thighs and stroked her already moist twat, just as Joan managed to get the end of Simon's rigid dick in her mouth. I plunged harder inside my wife and wriggled a finger into Sue's fanny as I watched Joan slurping on the thick manhood that was wedged in her mouth.

Sue had removed her top by now and I reached over to squeeze her fat jugs with my spare hand. I didn't want to cum too quickly, though, so I pulled out of my wife's sodden pussy and began to chew on Sue's awesome, hard nipples as Simon took my position between Joan's gaping thighs. I love watching her take dick and Simon had the youthful stamina to bang away hard and fast, just as Joan likes it. While continuing to stare at the fuck fun in front of me, I dragged Sue on top of me until she was straddling my waist and pushed my twitching prick deep inside her as she took over playing with her tits.

Joan shrieked as she came, thanks to the pummelling from Simon, who immediately withdrew his dick and slotted it between Joan's quivering breasts. Joan then squeezed her knockers together and, after only a few thrusts, her new lover exploded a torrent of sticky, thick spunk over her neck and face, a few jets of his seed spraying into her eagerly open mouth. At this point Sue, still riding my cock, leant over the prostrate Joan and started to slurp up the semen dribbling down my wife's neck and tits. I could stand it no longer and erupted inside Sue's gash until my balls were completely drained.

Sue clambered off me and straddled Joan so she could concentrate on hoovering up her partner's cum. This put their two pussies in a perfect position for the already stiff

## ON THE LAMINATE!

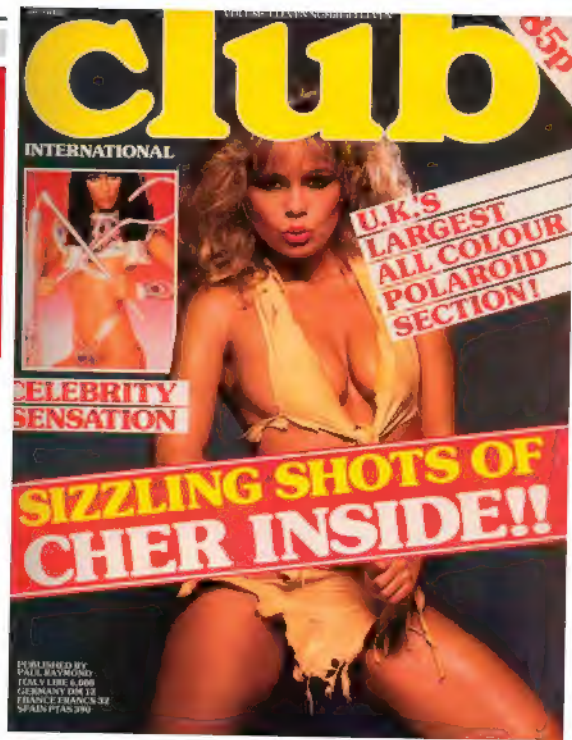

Dear Club,

Dani as a nurse and my favourite porn star, Priya, both in the same issue. What are you trying to do to my cock? I ended up buying a second copy of this issue as I managed to ruin the first one on the same day, with the added bonus of those Sasha pics in Peaches. I'm going to have to be more

careful with my aim from now on!  
*Brett, Lancs*

*As the Editor, I'd of course be delighted if each reader bought multiple copies! If your aim is a bit awry, you can always go to the laminators, although we've yet to actually meet anyone who's gone to those lengths!*

## CRACK ISSUES!

Dear Club,

I've got a pretty huge collection of back issues of several Paul Raymond magazines and, despite the amount of space they take up, I've never wanted to throw them away. I started in the 80's and there's only one or two issues I'm missing. Do you think the British Library will want them when I'm done?

Eric, Ilkley

Blimey, Eric, we didn't expect that question at the end. We thought you were going ask us for copies of the ones you're missing. Well, we already send every issue to the British Library (they must have plans for a huge vintage porn wing!), so if we were you we'd donate them to another aficionado, or flog them on the internet. Don't leave them for the council to destroy – it's sacrilege!

Simon to enjoy a double fuck. First he slid into his girlfriend for a few thrusts, then pulled out and shoved his glistening, cum-soaked tool into my wife's gooey snatch before repeating the manoeuvre. The girls were loving it, kissing each other and fondling each other's tits as Simon used his fingers to tickle their bumholes to increase the pleasure. I joined in by wedging a couple of fingers in Sue's tight little arse as Simon continued to go from slit to slit until he pulled out, wanked his meat furiously for a few seconds, then sprayed another batch of seed all over the two girls' greasy cunts.

The evening carried on in much the same vein, with Simon and I taking it in turns to fuck and suck the girls in every conceivable position until we all collapsed in the awning, totally exhausted. Our new friends left the site the next day, but travelling from place to place like we do, one is guaranteed to meet more shagging pals very soon. And people say that caravanning is boring!

Fill in the blanks...

**A**merican babe Natasha Voya is making her debut in *Club*, and that's normally the cue for us to give you some scintillating biographical detail about the girl, to give you a more rounded picture of her. Unfortunately, we drew a blank. We know she's American, we know she's caucasian and, er, that's about it. We called to ask, but someone must have given us the wrong number. So, feel free to fill in the details yourselves. Allow your mind to run riot. You want Natasha to be a trained bassoonist who once flew to the moon? There you go. A turtle sexer who once bit Loyd Grossman on the arm? Have at it. Us? We'll, we're very happily married to Natasha and she begs us to cum on her greedy tongue every day. It could happen... ♣

## Euro 2016 Qualifiers

**Various Venues -  
Throughout October and  
November**

**W**ith the painful memories of a desperate World Cup campaign still fresh in the minds of most England fans, qualifying begins in earnest for another distant opportunity to disappoint an already beleaguered and apathetic public at a major tournament. The Euro 2016 finals will take place in France, meaning at least it will be easy for the England team to get home after the inevitable defeat to one of a growing number of superior footballing nations. Roy Hodgson, should he still be manager, could even factor in a stop at a hypermarket to buy a cheap case of plonk with which to drown sorrows as his charges are jettisoned through

the channel tunnel like so much footballing flotsam.

Of course you might argue that this is a very negative stance to take, but it's difficult to be optimistic about the future when England have been so consistently abject at recent tournaments. Yes, they defeated Switzerland on home turf in the first round of qualifiers for Euro 2016, who incidentally at the time of writing still sit above England in the FIFA World Rankings, in an encouraging fashion, but it's just this kind of result that creates those all too familiar false hopes, raised to be duly shat on when the real thing comes along.

With the tricky Swiss encounter safely negotiated and a competent yet very beatable Slovenian side to come in this first raft of qualifiers, this is a group pitched to test Hodgson's young team but one that they should win. Just remember, however, that they won a similar group for the World Cup in Brazil, and we all know what happened,

when they got there.

While England are caught somewhere between expectation and inadequacy, for the other home nations - who would consider qualification to be a huge success - the future is looking more rosy. Scotland ran World Champions Germany close in their opening match, showing their potential to escape a tough group that also includes an improving Republic of Ireland, under the expert guidance of Martin O'Neill. Northern Ireland edged out Hungary in their opener and Gareth Bale hauled Wales past the might of Andorra.

With Euro 2016 expanded from 16 to a 24 team tournament, and the fact that two nations qualify automatically from each group with the third given the opportunity to thrash it out in the playoffs, smaller teams have never had a better chance to compete at this continental jamboree. For England, getting there isn't enough, but it's all we should expect these days.

international fixtures since to finally give Steve MacNamara's men the chance to make amends. The format for this one is simple and to the point. Bundle four top teams, joint hosts Australia and New Zealand, along with England and Samoa, into one group, get them to play each other once and the top two thrash it out in the final. Figuring out the victor, on paper at least, looks an equally straightforward business.

Current world champions Australia, who thrashed New Zealand to win the aforementioned World Cup, are the obvious favourites.

Indeed, the imaginatively named 'Kangaroos' are so far ahead of second-placed New Zealand and third best England on ranking points that on paper it looks like there's no point in even playing this tournament - such is their apparent superiority. In addition to being world champs, Australia are the current four nations holders and they defeated the Kiwis in the annual

## The Melbourne Cup

**Flemington Racecourse - November 4<sup>th</sup>**

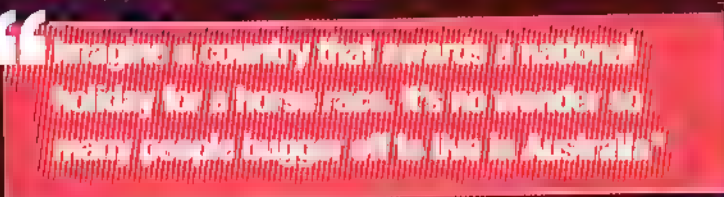

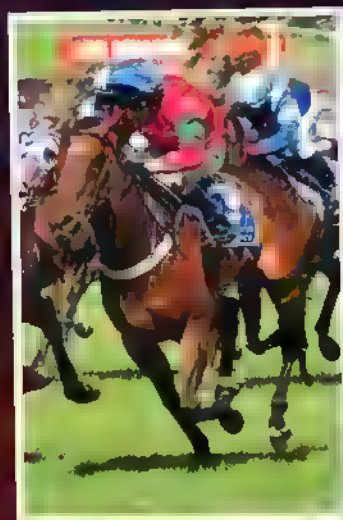

Imagine a horse race so important that it has its own national holiday. Imagine a country that awards a national holiday for a horse race for that matter. Honestly, it's no wonder so many people bugger off to live in Australia.

Traditionally run on the first Tuesday in November, the Melbourne Cup is commonly referred to as 'the race that stops a nation', with workplaces across Melbourne and beyond downing tools to allow employees a day

off to gamble, get pissed, and then watch the world's richest two-mile handicap on telly in the boozer or at the jam-packed 120,000 capacity Flemington Racecourse. You've really got to admire the Aussie approach to allocating quality leisure time. However, although the

Melbourne Cup might sound to some like an excuse to drink and go to the bookies, this is also a race about which our Antipodean pals are justly proud, and it boasts amongst its winners some of the toughest and most talented thoroughbreds ever to grace the turf. The legendary Phar Lap survived an assassination attempt and temporarily halted the Great Depression when prevailing to mass celebrations back in 1930, and in 2005 mare Makybe Diva became the first horse to win the race three times – not bad for

Anzac Test back in May. But before we dismiss this one as a pointless cakewalk for the men from down under, it's worth mentioning that historically these international Rugby League contests have a habit of throwing up some really random results. After getting shat on 58-0 in a Test Match the year before, New Zealand bounced back to turn over the Aussies on home turf in a dramatic 2008 World Cup final. The All Blacks upset the kangaroos to bag the 2010 Four Nations competition, and England almost sprang an almighty shock when they ran the Aussies to within eight points in the opening match of the 2013 World Cup. And let's not forget the ever-improving Samoans, who boast higher-ranked France and Fiji as recent scalps. Of course it would be a surprise if Australia don't win this tournament, but they won't have it as easy as the formbook might suggest...

a 'Sheila'.

While the majority of the world's prestige horse races are same weight encounters run over a mile or a mile and a half, the Melbourne Cup bucks the trend by being a stamina-busting two-mile handicap, where, put simply, better horses are pegged back to their less successful rivals by having to carry extra weight. Top of the shop this time around is the Japanese challenger Admire Rakti, and despite the excess burden features amongst the favourites thanks to staying power and a nifty turn of foot. Bande also brings a bright outlook from the Land of the Rising Sun. Flying the flag for

Great Britain are Red Cadeaux and Dandino, and The Offer and Pale Mimosa head up the Irish invasion. Indeed, international raiders have a decent record in the race, with French pair American and Dunaden winning in 2010 and 2011 respectively. Delta Blues was last to score for Japan in 2006. Despite the recent increase in overseas hopefuls, Aussie thoroughbreds still hold sway in the Melbourne Cup, and Fawcner looks the pick of the bunch to please a passionate, well-oiled crowd. Forget the sun, sea, sand and surf, it's the Aussie attitude to the jewel in their racing crown that should be making people emigrate. ♣

## Fargo: Season 1

TV-MA (15+)

Let's face it, the first season of *Fargo* was a masterpiece. It was a perfect blend of dark comedy and crime drama, with a stellar cast and a brilliant script. The show's unique style, with its deadpan humor and sharp dialogue, made it a standout in the TV landscape. The first season's ending was particularly memorable, leaving viewers with a sense of mystery and anticipation for what was to come.

## The Suspicions of Mr. Whicher

TV-MA (15+)

This is a really good series. It's a mystery series that's not too common. The story is about a detective who is trying to solve a case. The series is well-written and has a great cast. It's a good watch for anyone who likes mystery series.

## 300: Rise Of An Empire

TV-MA (15+)

This is a really good series. It's a war series that's not too common. The story is about a war between two kingdoms. The series is well-written and has a great cast. It's a good watch for anyone who likes war series.

## Edge of Tomorrow

(Warner Home, DVD £10, Blu-ray 3D £17.75)

It almost pains us to say, it, but this Tom Cruise vehicle is one of the best sci-fi movies in years. A *Groundhog Day* structure pays dividends as Cruise's Major lives the same day repeatedly – a day where he tries to lead a fightback against an alien invasion. It delivers on thrills, but also on wit and tight editing. **A+**

## Joe

Every now and then, someone persuades Nicolas Cage to channel his considerable talents in a film that isn't dreadful. Joe is set in the backwoods of the US south. Cage's ex-con linking with a troubled kid who comes to work with him poisoning trees. Affecting and moving. **A+**

## Fruitvale Station

(Spirit, DVD £10.25 Blu-ray £12.50)

The excellent Michael B. Jordan (*The Wire*, *Friday Night Lights*) stars in this plucked-from-life story. He plays Oscar Grant, a small-time con trying to turn his life around. Jordan is brilliant, but the direction can seem a little TV movie-ish. **A**

# Classic Corner

## Out of the Past

(MGM Home Video)

French emigre Jacques Tourneur turned out some crackers and some schlock in his career, but this 1947 classic is definitely in the former category. Originally released in the UK as *Build My Gallows High*, it stars Robert Mitchum at his hard-bitten, laconic best, Kirk Douglas as a gangster and Jane Greer as a femme who is most definitely fatale. The flashback structure is as complicated as Mitchum in masterful form. **A+**

**Kodak Pixpro S-1**[shop.kodak.co.uk](http://shop.kodak.co.uk)

Kodak died a death a while back and were quietly swallowed up by JK Imaging. Since then, we've been waiting to see what they had up their sleeves camera-wise, and can report that this is a pretty decent effort, falling beneath the real heavy hitters (as you'd expect at this price) but obviously offering more than you'd get from the best smartphone.

Lenses can be changed, it takes both jpeg and raw and the S-1 imaging sensor is petite. Which is sweet.

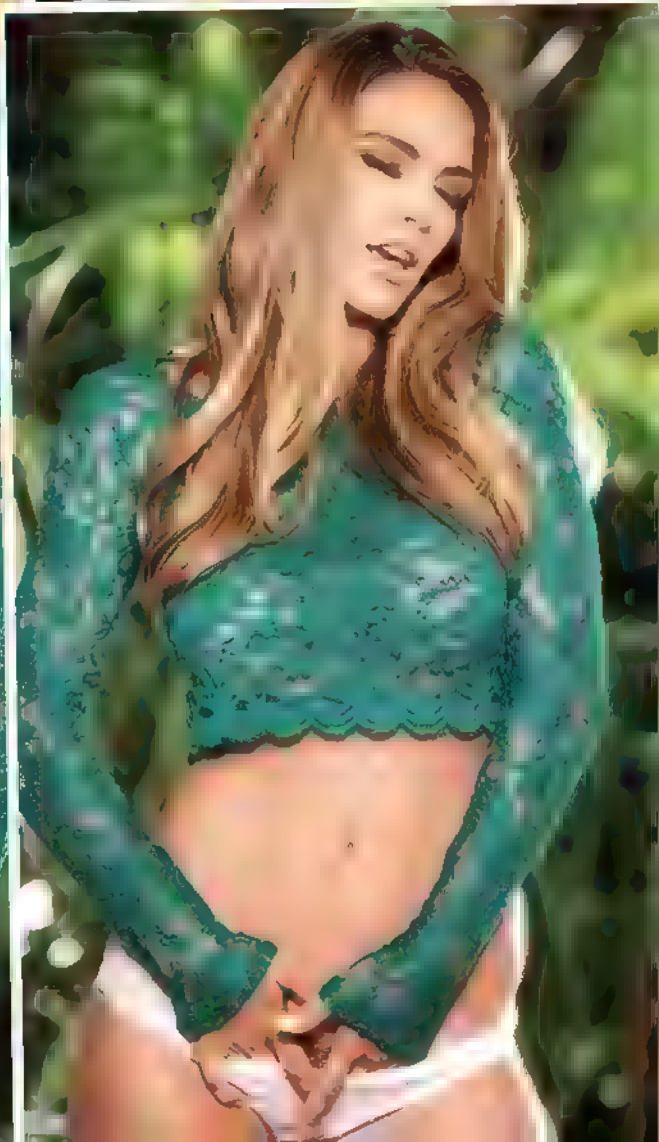

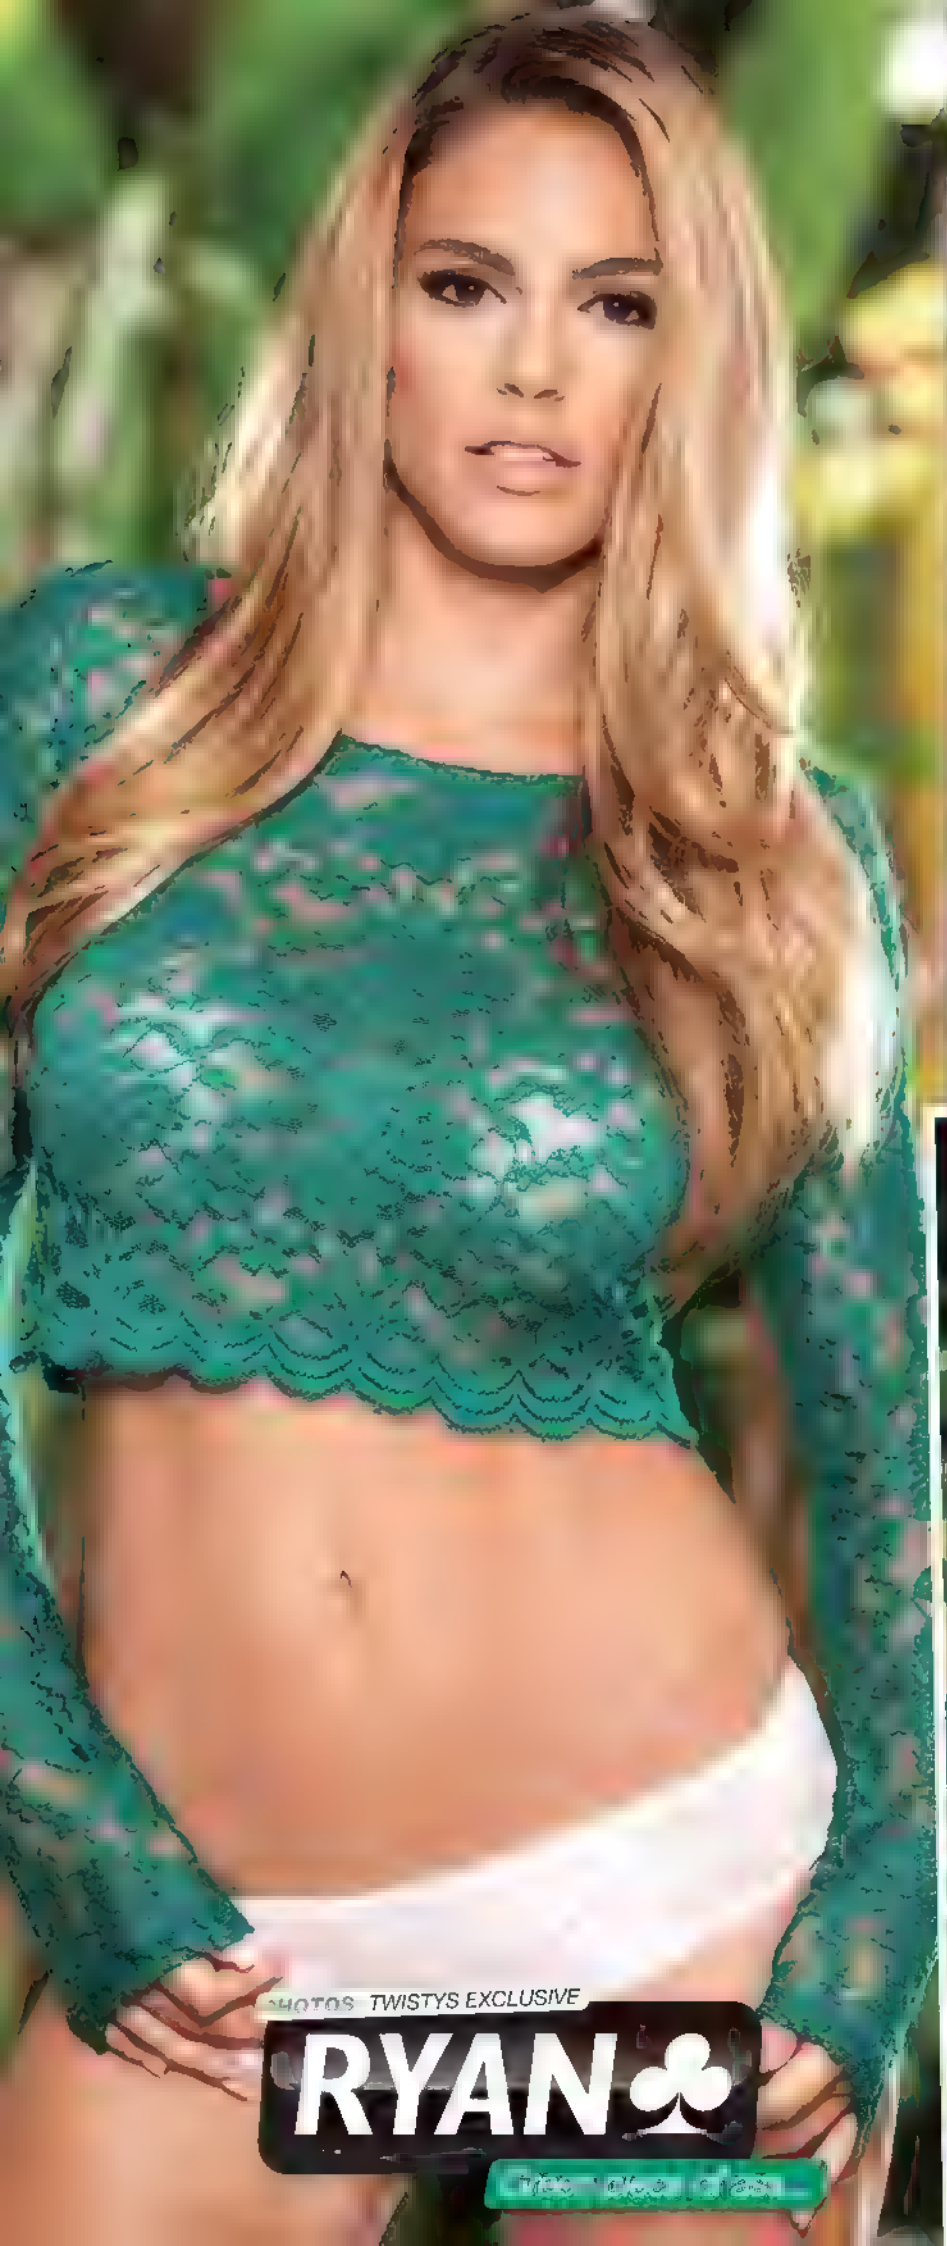

**Pros:** Pictures are great, good looks.**Cons:** No eye-level view finder.

**S**uper hot Ryan has proven to be a real hit with our readers, so we had to get her back in the mag. So, what has she been up to in the three days since we last photographed her?

"Ha, you have been calling me a lot. It's nice. I usually get blocked numbers with heavy breathing."

We're not confirming or denying anything.

"Generally I've just been shooting and partying. Lots of wild pool parties in the hills. You should join me sometimes, it gets wild."

It's a long way from Hersham.

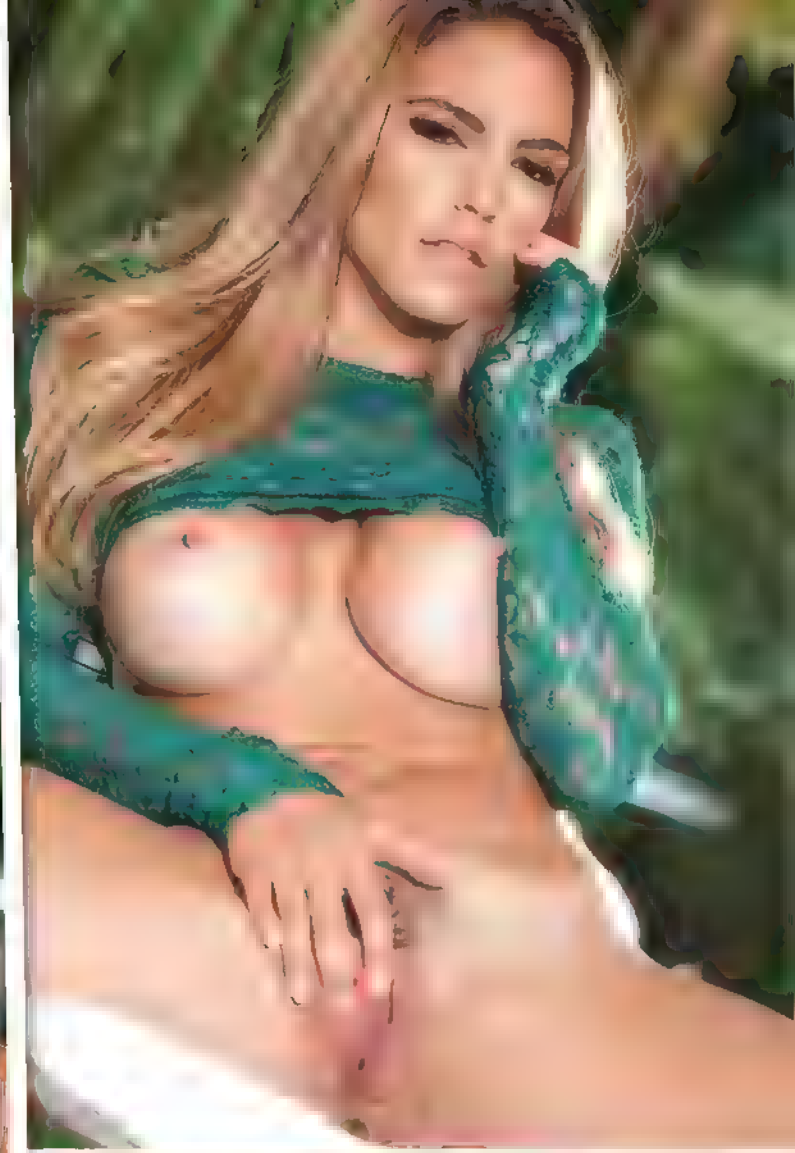

"What's a Hersham?"

Exactly... ♣

**DANI** 

If there's one thing *Club* regular girl Dani knows to do, it's seduce a bloke. Well, she

knows how to do lots of things, but she's particularly good at that.

"I'm not saying it's simple," she explains, "but some things just work. Low lighting, a favourite meal or drink and, of course, stockings and suspenders. They might be a cliché, but as a girl you can almost hear the blood rush to a guy's dick when he clocks you in some lingerie for the first time. Of course, half the fun is in peeling it all slowly off while the guy watches, getting harder by the second."

Yes, we are... ♣

## Erotica

(Digital Playground)

You know what you're going to get with a cast like this. Stoya will do the edgy stuff, Bibi Jones will look lush while having quite vanilla sex. And so it proves in enjoyable predictable fashion. It's still decent stuff, however,

with Monique Alexander providing further class and showing off her veteran moves and Dani Daniels proving that she's star material. The Stoya scene is the keeper, however, a backdoor breaching that's well your attention. ★★★

## Night Creatures

(Harmony)

It's all been a bit quiet on the Harmony front recently, so it's nice to see them back in the saddle with one of Tanya Hyde's trademark kinkfests. It's dark, it's nasty, it has men wearing masks – you know the score. Highlights are Sam Bentley and Lexi Lowe tag-teaming Omar's tool and Jasmine Jae and Rio Lee doing the same. Who wins? Omar, obv. ★★★

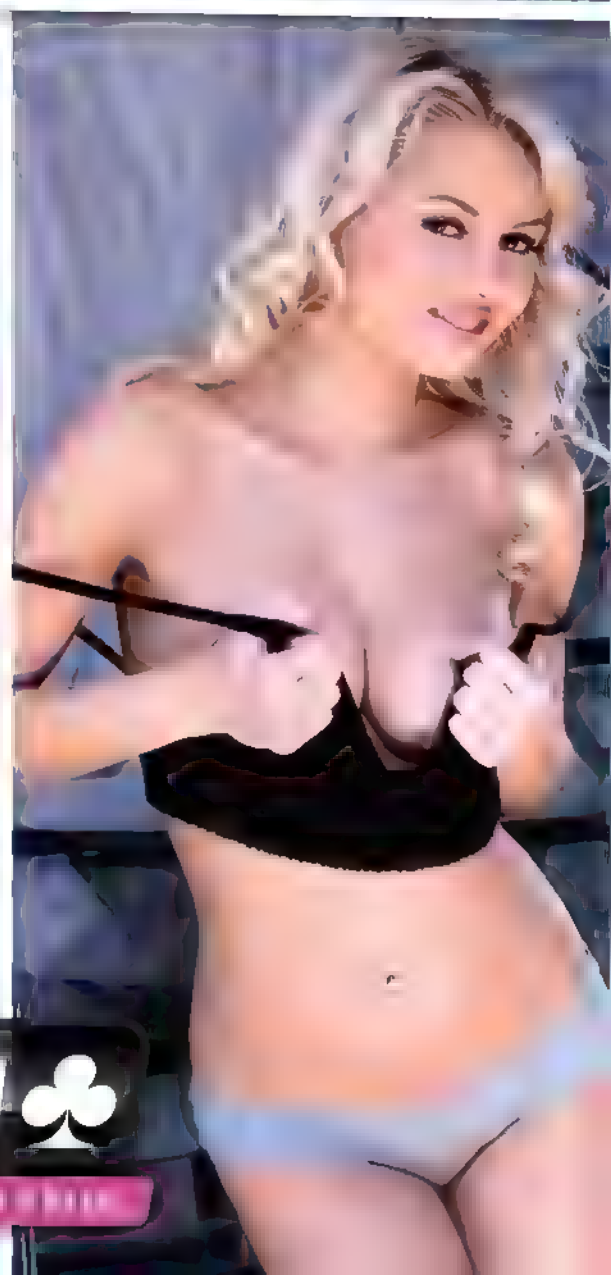

## Naughty Nurses

(Brazzers)

You might remember one Dani Maye wearing a nurse's uniform (not standard issue, sadly) in *Club*. That's because some things never fail, and so it proves with this compilation of recent Brazzers scenes. We're sure the first porn etched by cavemen onto walls was some woman in a nurse get-up whacking off a bloke. And now in 2014 we have the awesome Romi Rain doing the very same thing. ★★★

SCOTTIE

**A**nneli is pretty much the perfect model. Popular with the readers, a favourite of photographers, always smiling and professional. Most importantly of all, she's as fit as fuck. Yeah, you could quibble about the fact that she only did hardcore for about six seconds a while back but, to be honest, we're happy that we don't have to watch other blokes have their way with this perfect girl. Instead, we can imagine that we're having our way with her. Damn, we hope she doesn't read this, it might put her off being in *Club*. And that would never do... ♣

Only a few sexy pics at home with my  
boyfriend. I've kept them so he can't  
share them if we split up – there's lots  
of blowjobs!

### AH, YOUR FAVOURITE!

They are. Don't get me wrong, I like sex,  
and I like being licked out, but I love the  
feel of a cock throbbing in my mouth  
and hand, feeling the balls churn.

### OUR BALLS ARE CHURNING RIGHT NOW...

I like to suck balls as well, it's all part  
of the fun. I can suck on a cock  
for an hour or two. My jaw might  
ache, but I'll have so much fun,  
and a long, long blowjob always  
gets the biggest cumshots! ♦

ladies get their  
norks out on it...**

**W**e may have spoken about Olivia before. It could have been when she was sexy but buttoned up as Doctor Thirteen in *House*. It could have been as far back as 2006 when she actually shared her breasts with us in *Alpha Dog*. Despite a bunch of quite sexy subsequent roles, she's gives us nowt, nip-wise, ever since. Well, hold the front page. There's bum and boob galore in new movie *Third Person*, directed by Paul Haggis, who gave us the overrated Oscar-winner *Crash*, but who goes a long way towards earning forgiveness by giving us an outing for the Wilde ones! ♣

## DOING DAPHNE!

I'm an entrepreneur, and, being more wealthy than most guys my age, I lead a fairly luxurious and interesting lifestyle. Consequently there are any number of females of all ages throwing themselves at me – most usually for all the wrong reasons. Admittedly, in my early 20s, these brassy beauties did the trick. But as I matured I found myself looking for a woman who was not so blatantly promiscuous... a woman with an air of innocence about her which conceals a deep smouldering passion.

In short, I have come to favour those ladies who dress modestly yet elegantly and whose manner and bearing is both gentle and reserved – yet whose eyes and touch reveal to you, and you alone, a glimpse of mysterious sensuality and longing. In my 36 years I have met only three of these supremely desirable creatures. And it is about my latest coy little nymphet that I would like to tell your readers.

Her name is Daphne and she's a rather gangly 19-year-old with brown eyes as appealing as a spaniel's. Her full lips are succulent and inviting and her complexion is youthful and fresh with a light sprinkling of freckles across the bridge of her nose. Although her breasts are not as large as one

might wish, they are natural, and well-rounded and pert. She has a trim waist which accentuates the soft curves of her hips – and the most enticing bottom: topping off long, shapely legs.

I met Daphne a year ago when she applied for a job as a sales assistant at one of the retail outlets I own. I had just wrapped up a meeting with the general manager and was passing out through reception when I spotted her. Only months out of school she was clearly ill at ease. Attempting to hand in a job application form she blushed brightly as, without looking up from what she was doing, the receptionist told her that she was in the wrong department and to take her CV to Personnel.

My heart missed a beat as she turned towards the doors, her lovely face crimson. Intercepting her, I relieved her of the documentation and handed it to the receptionist – instructing the woman to take it

my pants.

She had never been to my flat either, and as we ascended in the lift she buried her face shyly in my overcoat. Her hair smelled of rose-scented shampoo and her body felt vulnerable as I guided her into my place. Taking her into my arms I ran a hand lightly over her breasts. Her eyes were closed and her lips parted appealingly. I kissed her, sucking at her tongue as she clung to me.

Picking her up I carried her to the bedroom and laid her on my bed. Gently stroking her hair, I kissed every soft contour of her body as I removed her clothing. She wriggled on the quilt, her long coltish legs rubbing against each other as she watched me undress. Small tremors rippled through her body and she parted her thighs as I climbed onto the bed. Straddling her quivering body I stroked her heaving breasts before bending down to kiss her pouting lips. I would have thrust myself inside her there and then, but with a

to Personnel herself – and immediately. Over lunch we got to know each other better and I found Daphne to be an interesting companion with a wicked sense of humour; although inexperienced she was mature for her age. Soon afterwards we started dating.

After each date I drove her home to her parents' house, leaving her at first with just a chaste peck on the cheek, then gradually building up to a more amorous kiss. Because of her youth I was being careful not to rush things, but after the fifth date I was beginning to grow a little impatient. Yet, almost as though she had read my mind, the next night on the way back from a show she put her hand on my leg and began to massage my inner thigh, her fingers working their way towards my genitals. She had never touched me intimately before and the obvious sexual nature of her caresses drove me wild. My penis was absolutely rearing inside

light upward push she held me off.

Smiling at me, she whispered that this would be her first time, and that she ached to feel me inside her. My mind whirled momentarily as understanding dawned, and, then, feeling supremely privileged, I changed tactics and moved further down the bed. With my fingertips I caressed the pale silky surface of her stomach before moving them very gradually down to the downy triangle of her tightly-curved snatch.

Half-closing her eyes, she sighed as I very gently parted the petal-like lips of her slit and exposed the pinkness within. The lustrous coating of her creamy essence conveyed her need and, easing my tongue inside her labia, I probed its silken interior. Then, licking gently up between the lips of her slit, I parted the upper folds and sought the pink bud of her clitoris. She mewled in delight as I lapped at it, squirming under me as my tongue flicked unceasingly back and forth over the erect bud. Her slender back arched on the bed as her thighs opened wider and her legs trembled. Uttering tiny moans, she bucked once and a light sprinkling of her juices trickled from her pussy, which I greedily lapped up – savouring the delicious sweetness of her honeyed secretions. Then with an exquisite quiver, her body stiffened, her breath coming in sobs as her eyes glazed and her eyelids fluttered.

I remained still until she had recovered, then moving back up the bed I kissed her softly as her arms looped around my neck. "Push your cock into me," she murmured, spreading her legs wide in invitation. As the soft maw of her cunt parted I pressed the head of my engorged penis against the entrance of her

virgin pussy. Holding me tightly, she smiled dreamily as she felt me insert it carefully, inch by inch.

Her pussy muscles clenched around my cock then began to slacken slightly as her incredible teenage tightness gave way to the steady prodding of my tool. Daphne was hot for it! Her eyes sparkled as I pressed forward and she jerked her hips enthusiastically to meet each thrust. As my plunging knob popped her cherry her lips formed a surprised “O”. With a little murmur of pleasure she asked me if my cock was all in, begging me to hold it there so she could feel it throb.

Her pussy constricted around my pulsing shaft as she orgasmed powerfully, her breath coming in harsh gasps. Passing my hands under her hips, I cupped the soft spheres of her buttocks, spreading them slightly apart, and began fucking her slowly and majestically.

Her cunt squeezed on my prick with a nutcracker action each time it slewed inside her to the hilt. Her nails dug into my back, and she bucked vigorously under me, the intensity of her passion making her call out in rapture. I could hold off no longer, and, sheathing my rod fully inside her, I shuddered – expelling jets of sperm inside her tight pussy.

The next week she moved in with me, but although she was always willing to have intercourse with me at any time of the day or night it wasn't until I went away on a business trip that I understood what a dark horse she was and the well-hidden intensity of her sexual passion. The trip had been scheduled for a long time and although we had been together for only a short while I was reluctant to leave her behind as I knew that I would really miss her. It would have been impossible to take her, and, although she appeared unhappy about this brief separation she made no fuss or complaint about the trip.

As I was kissing her goodbye at the airport she slipped a DVD into my jacket pocket and told me to play it on my laptop while I was away. I powered up my computer as soon as I had checked into my hotel, and, sitting on the bed inserted the disk into the DVD drive. To my delight, Daphne's image filled the screen... an image of her that I had never seen before. She was sitting naked on the bathroom floor smiling into the DV camcorder lens. Her body was smeared in some kind of oil which she was massaging into her boobs.

My cock stirred in my boxers as I watched my Daphne give a display that would not have been out of place in a porn movie. Her full lips were glossy with a bright red lipstick and her long sculpted nails were polished red to match. In her hand was the most enormous black dildo, its girth almost as

thick as her fist. She was stroked it with her fingers as if it were the real thing, her tongue darting suggestively from between her scarlet-painted lips.

With a feeling of disbelief I loosened my trousers and released my rampant pole. It stood stiff and erect, demanding attention as I watched my coy little girlfriend behaving like the world's cheapest slut. Rubbing the latex phallus against her tits, she coated it with oil.

Then to my absolute amazement she turned her back to the camera, and, cocking her arse in the air, began to push the dildo inside her snatch. I watched in fascination as her pussy lips parted and she pushed the head of the dildo inside her upturned slot, her buttocks pumping back and forth as she tried to push it further inside her. I was almost ready to shoot my load at the sheer wantonness of her performance.

With a hard push she managed to force it halfway inside her cunt – but there it stuck. With the huge phallus stuffed inside her,

**“Our dogger was frigging Steph’s pussy, his knuckles between her thighs, while my cock was in her mouth”**

she rolled onto her back, and, picking up a bottle, poured some oily liquid over the protruding end of the dildo. Then, working the rubber colossus deeper inside her, she twisted and pushed until she had forced it right in.

With her fingers on the base, Daphne moved it around inside her, until, with a sudden scream, she came off, almost sobbing. My fist pumped harder as I jerked myself to climax, and, as I shot my load, Daphne pulled the dildo from her cunt with an audible pop!

The secretive little slut had displayed an absolute abandon that begged to be addressed fully and directly, and I resolved that when I returned home I would give her the fucking of a lifetime.

**DOGGER EAT DOGGER!**

My wife Stephanie and I had often discussed going dogging and, eventually, we came across some very good dogging and swinging information sites on the Net. To cut a long story short, one night we took our courage in both hands, drove to one of the car parks listed on the dogging sites and found a suitable space. Rather than get straight down to it, however, we decided to watch for a while until we felt more relaxed.

After only a few minutes of apparent

inactivity, to our surprise Stephanie saw a guy get into the back of a car with the female occupant, while her male companion stayed in the driver’s seat. We couldn’t see what was going on inside, but we could guess.

By now, we felt much more comfortable with the scene and I slipped my hand up Steph’s thigh, wriggled my fingers inside her panties, and began to play with her pussy. Stephanie had just started to unzip my flies when I noticed a man looking in the car from her side. He had positioned

himself craftily just behind her door where she couldn’t see him. I told her there was someone watching, and, without glancing round to see, she kissed me and pushed down hard onto my sopping wet fingers.

He was in his 40s, clean looking and quite smartly dressed. And the fact that he was watching covertly seemed to turn Steph on even more, because she began to stroke my growing erection with renewed vigour.

No doubt encouraged by Steph’s open assault on my penis, the man moved right up to her window, ogling her openly. I looked out at him, winked and smiled, presuming that’s what one is meant to do. Then I threw caution to the wind. Pulling Steph’s skirt up over her arse, I spread her thighs, and, tugging the gusset of her panties to one side, continued to play with her pussy. Only this time the watcher had a real view to drool over!

Steph was well into it now and was wriggling out of her panties when I saw the man get his cock out. Telling Steph what was going on outside her window excited her even more and she held my hand against her gash, whimpering as I stuffed two and then three of my fingers deep into her slot, right up to the knuckles.

While I was pumping her pussy with my hand, I noticed that our watcher had a reasonably large cock and told her to look. She did, groaned, and immediately climaxed hard on my fingers, spotting the uphoistery with her creamy pussy juice! Just as she did so, however, the bloke ducked behind the car as the lights from an approaching vehicle swept over us. We paused for a moment, anxious that the new arrival could be the police. But no, it parked at the opposite side of the car park, put its lights off, and our friend returned to Steph’s window and

continued tugging. I suggested that Steph open her window, and, surprisingly enough, she did.

Our dogger immediately put his head inside the car and watched me fingering my wife. Then, clearing his throat to get our attention, and pointing to Steph’s cunt, he asked politely if it was okay to play. I moved my hand away and nodded, watching in delight as Steph spread her legs wider to encourage him.

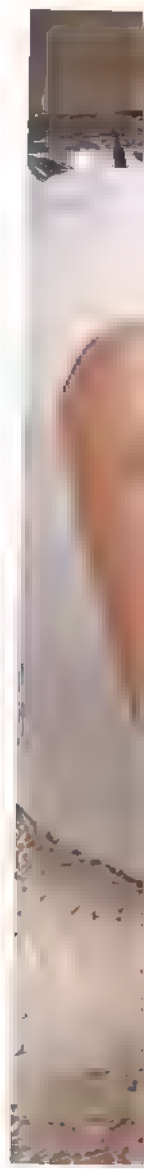

I’ve never been so sexually excited as I was at that moment, as my gaze slowly followed his hand up my wife’s inner thigh toward her fanny. All the time, he kept looking at me questioningly, making sure that I was still all right with it. I nodded my approval and he allowed his hand to travel the rest of the way, and, before I could really take it in, I saw his fingertips disappear into the edge of her bush.

Steph was very nearly sobbing with arousal and she turned to kneel in her seat, poking her backside up to the open window. Then, taking my cock in her fist, she began to suck my straining hard-on. Our dogger was gently frigging Steph’s pussy, his knuckles between her thighs, and as she sighed and gasped while trying to keep my cock in her mouth, her arse wriggled as she climaxed again.

Once she had recovered her breath, she repositioned herself and reached out to take hold of the stranger’s cock. He dropped his trousers to his ankles, and then, to my absolute astonishment, because I’d assumed she only intended to wank him, Steph leaned out of the window, bowed her head and began to suck his cock.

Her arse was facing me, so I began to stroke her fanny, smiling to myself when I found that it was utterly soaking. The bloke was panting, and when Steph finally drew back from his cock for a moment to catch her breath, he told us he was near to cumming and asked if there was any chance of a fuck!

I wasn’t sure about this at all, but Steph looked at me pleadingly, so I told her to open the door. She didn’t need telling twice, and the next thing I knew it was ajar and

she'd swung her legs outside. The bloke took out a condom and put it on. Then he asked her to slide out of the car just a little. She wriggled towards him in a seated position, and held her pussy lips apart so he could slip his cock in. This was beyond my wildest dreams, and I thought I was going to shoot! I had to squeeze the head of my cock to prevent myself from cumming.

He started fucking her slowly, then took off like a train, shafting her so ferociously that the car actually rocked slightly each time his weapon slammed into her. Then she started to cum. And so did he, hefting his cock to the hilt inside her drenched cunt until he groaned out loud as he emptied his load. As first times go, it was amazing!

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## PUMP THE RUMP!

Whenever I walk down the street, my arse is always being slapped by passers-by. This would annoy some people, but I take it as a compliment. I'll lift this dress up, and you can see the source of temptation for yourself. My bottom is round and peachy, completely smooth, and the skin is soft to the touch. It's pert in such a fashion that where my buttocks meet my thighs, there is not a crease or a line, just a sharp change in gradient.

You can see a hint of my cleft through my panties, a dark ravine full of promise, hiding a rosebud pout. Grabbing me by my hips, you pull me back to where you are sitting on the sofa. Running your hands over my bum's roundness, you lean forward to kiss a cheek, letting your lips sink into the soft flesh before darting your tongue out; a sliver of wetness that makes my hairs stand on end.

Pulling back, you extend a finger and gently brush it along my dark crevice, through my panties, making my pussy seep dew. Your hand slides down my ravine, down to my pussy. I open my legs slightly and you gently fondle my mound from behind, before running your finger back up to my buttocks again. I feel you lean forward, your hot breath on my backside, and the sharp edge of teeth on my skin – you bite the peach.

Not too hard, just enough to feel the firm consistency of my flesh between your teeth, and I shiver at the electric sensations that

shoot up and down my spine. I look over my shoulder at you, and you hook your thumbs around the sides of my thong and pull them to the floor. I shrug off my dress and bra, and am soon standing before you, naked apart from my heels.

You ask me to lie over your knee, and I do so, my head buried in the soft leather material. I can feel your erection pressing up into my groin, and my pussy throbs with the nearness of it. Kicking my heels in the air with anticipation, I rub myself against the bulge in your trousers.

Once more, you are stroking my buttocks with the palm of your hands, squeezing them, kneading the flesh with stronger touches so it goes pink beneath your fingers. My breathing gets deeper and slower as this both relaxes me, and turns me on, before you lift a hand and bring it down sharply on my buttock. It doesn't hurt as much as feel hot; a wave of heat surging to my buttock and my pussy, and I wriggle my bum at you as you resume your gentle, circular stroking, enticing you to further action. You spank me once more, slightly

cheeks wobbling a little beneath your firm touch so you catch a glimpse of my pink anal rosebud.

Dipping a finger down into my pussy to draw up some moisture, you slowly bring your finger towards my puckered orifice. It's a perfect pink ring, a tiny dot in my crevice, and your slick finger gently caresses my arsehole, making me gasp and rub myself against your hard-on further. Your finger explores the entrance to my back passage slowly, feeling the tiny ridges of my entrance with your slippery finger, and gently applying pressure with the tip of your finger to my entrance. I naturally tense a little, but a swift slap on my arse soon puts pay to that.

“Your finger explores the entrance to my back passage slowly, feeling the ridges of my entrance”

harder this time, so I sigh at the impact, then you slide a finger down towards my pussy, feeling how it is slick with my juices, and brushing over my clit before heading back to my buttocks. As a couple more thwacks echo around the room, my butt is burning with heat, and my cunt is so wet and sensitive I can feel my clit pulsing between my delicate labial lips. I'm squirming on your lap, somehow trying to massage my clit, as you spank each buttock firmly, your erection prodding my groin. A couple more generous palmings and you're slipping your finger into my hot slit, feeling the warmth of my pussy entrance, and how swollen my clit is.

You slide a finger into my aching pussy, and I sigh with relief, arching my back to try and get more of your finger inside me. Twisting your finger inside me makes me gasp, and you slip out of me again, just as slowly, your finger sticky with my juices, and spank me once more. My breathing is deep and quick now, and I jerk my bottom up towards you, wanting more stimulation, and you plant a couple more firm strokes on each cheek, my

The tip of your finger eases into my hole a tiny bit, making me squirm at the intimacy of it.

Withdrawing your finger, you ask me to get up on all fours on the floor, torso leaning on the cushions. I do so, bum high up in the air, and as you move around behind it, I sway it playfully in your general direction, eliciting another spank until you grab me by the hips to make me stay still. I feel your breath on my backside once more, your delicate kisses moving across my buttocks to the tight ring of muscle at the centre, then planting a warm kiss directly on my anus.

Your tongue darts out, lapping at the soft skin of my rosebud with quick, almost tentative strokes, then, as I arch my back up towards you, you lap with a broader tongue, stronger stokes that push against my entrance. The movement changes from lines to circles, swirling around my hole until you're pressing insistently against it.

A little more pressure, and the tip of your tongue breaks through. It feels so hot inside me, a sudden electric shock that makes my pussy throb. You work your tongue further

inside, my tight muscle gripping you firmly as I hear you unzip your trousers. That feels filthy, yet so intimate, as your tongue worms its way to the centre of my being, a hand on each cheek as you pull them apart to allow you further in. You withdraw your tongue, and lap in a wide circle around my entrance once more before slipping back in, your tongue darting in and out with quick strokes this time, and I pant and grunt my appreciation, licking my lips as I push my bum out towards you.

gently sinking your teeth in on either side of my spine, and, ensuring you are as deep in me as you can go, you grind your pubis against my butt, so I feel full to bursting with cock. My arse is gripping you firmly as every nerve in my body is exploding. You withdraw a couple of inches, and push back in, thrusting in and out while all the time remaining deep inside me. Your grip is making my hairs stand on end as I gyrate my hips in time with your movements.

Eventually, you're balls-deep in me, as deep as it gets, then you draw out again, just as slowly, out all the way to the ridge of your crown before you plunge back in again. As your finger works my clit, drawing me towards orgasm, my arse tightens around your prick even further.

Leaning forward, you lick the back of my neck, before

As your pumping start to quicken, your finger moves faster on my clit, my body is singing with pleasure as your groin smacks against my bum, harder and harder. You thrust into me with a grunt, ramming your cock into my tight backside with force, so I squeal my pleasure. Your length pistons in and out of me as your finger slips over my clit one last time, and as your thick cock slams into me once more, I buck my hips and start to cum, screaming into the sofa cushion. My arsehole throbs around your cock, squeezing your spunk out of you, so you shove forward one last time, biting sweetly into my neck and spurting jet after jet of warm salty spunk deep inside my back passage. As you withdraw from my behind, making my pussy spasm, you slap my sweaty buttocks one last time, and sink to the floor. Peachy keen.

**“You thrust into me with a grunt, ramming your cock into my tight backside with force”**

Your mouth comes up from my arsehole, kisses up my cleft, leaning forwards and working your way up, until I feel your cock brushing against my behind as you plant a wet kiss on my neck. Your cock nudges at my slippery arsehole as I look over my shoulder at you and smile, before resting my head in the leathery material of the sofa.

Helmet is certainly a lot thicker than tongue, and you reach around with one hand for my clitoris, gently stroking it to help my body relax and let you in. I shiver at your delicate caress, and as you massage my button in circles, I moan, and arch my back further. Your prick feels impossibly large for a second, before it eases into my arsehole, a millimetre at a time, you let me adjust to your girth, my tight muscle clamped down on you as you slide inside me. My whole sex throbs with the intensity of sensation, and the throbs draw you inside, I'm wet from your tonguing and you sink, helmet deep, shaft deep, in my tight behind, my ring drawing your shaft-skin back, and I'm panting, gently pushing back against you.

Club favourite Jenny is so highly-sexed, there isn't anywhere she won't get down to it. On the floor, on a sofa, on a rug, a car bonnet. These are all places she's fucked on and will fuck on in the future. Nowhere is out of bounds

"When the urge takes me, I really don't care where we are. I've dragged a man into a supermarket toilet before for a quick fuck. I've done it on planes, trains, upstairs on the back of a bus. The downside of being so highly sexed is that you get caught occasionally, but happily not by police. I went to enrol at a college for typing lessons and ended up sucking the lecturer off under his desk. I didn't even end up doing the course, but he had a lovely cock!" ♠

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## STUFFED CRUST!

Mmmm,  
anchovies!

What happens when an 18-year-old watches one too many American teen movies? Well, he decides to wipe his ball sac all over the stuffed crust pizza you've just ordered, of course. Austin Simmonds, of Texas, was detained by police after being caught by a costumer slapping his scrotum on an uncooked stuffed crust Hawaiian pizza. The Papa Murphy's employee now faces criminal charges of tampering with a consumer product and was released on a \$10,000 bail. Four scrotums pizza, anyone?

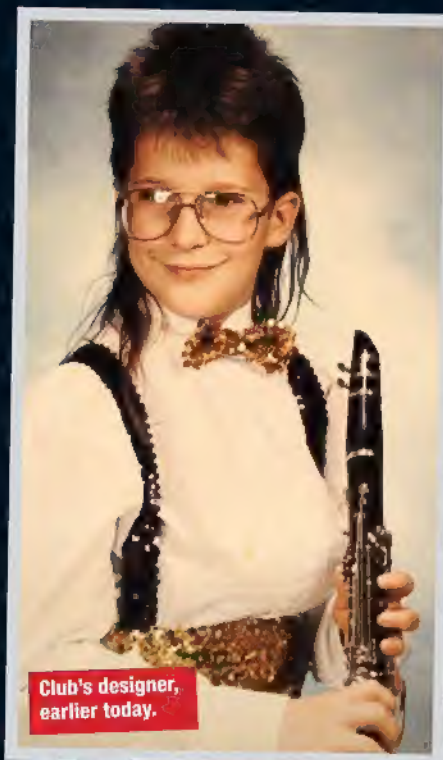

## POW!

This would have caused your spidey sense to tingle. A fight broke out in Times Square, New York on a recent Saturday and consequently three men were arrested. Two men dressed as Batman and Spiderman were in costume for tourists, when 23-year-old Thomas Rorke, who was reportedly intoxicated, grabbed Batman from behind and shouted, "I'm going to fuck you, Batman!" before allegedly giving Spiderman's rear a good grope. Rorke was reportedly sprayed with Spiderman's prop webbing before receiving several blows to the face and chest. That'll teach you to mess with Marvel.

STOP TOUCHING MY NIPS

## BITCH-HOVEN!

Club's designer,  
earlier today.

Learning an instrument can be a delightful experience for you but a headache for your neighbours, as this Western Colorado woman clearly demonstrates. 60-year-old Cheryl Pifer was accused of pointing a rifle at several children in the neighbourhood after becoming upset by an 11-year-old boy playing his clarinet outside. Pifer had allegedly been drinking before aiming the unloaded rifle at the children and saying, "Fire in the hole!" as they ran away. She faces possible child abuse and menacing charges.

## BABY BOOM!

Pennsylvania Police arrested a man after finding him passed out at the wheel of his car with two young children and three homemade bombs on the passenger seat. 28-year-old James Zwally was found outside a convenience store by a passerby, who called the police. The police removed the children immediately and charged Zwally with possessing weapons of mass destruction and risking a catastrophe. Well, that's one way to keep the kids entertained. ♣
